## **ВНЕКЛАССНОЕ МЕРОПРИЯТИЕ НА АНГЛИЙСКОМ ЯЗЫКЕ.**

Основной целью обучения иностранному языку в школе является формирование коммуникативной компетенции. Для реализации этой цели учитель должен создавать ситуации мотивированного общения учащихся между собой на изучаемом языке. Процесс общения подразумевает установление и развитие контакта между учениками, порождаемый потребностями в совместной деятельности и включающий в себя обмен информацией и понимание собеседника. Наилучшей формой создания коммуникативных ситуаций является игра –соревнование. Игра может проводиться непосредственно на уроке иностранного языка, например, на этапе обобщения или контроля знаний, но наиболее ярко и полно этот метод обучения раскрывается во время внеклассных мероприятий.

Мною разработано внеклассное мероприятие для учащихся 7 -8 классов для проведения Дня Святого Валентина. Основными задачами проведения игры является

- создание творческой атмосферы, активизирующей познавательный процесс,
- развитие коммуникативных навыков учащихся,
- обогащение лексического запаса,
- развитие диалогической и монологической речи,
- развитие навыков аудирования,
- развитие речевой догадки,
- воспитание уважения к чужому мнению.

Для проведения игры выбираются команда девочек (4 человека ) и команда мальчиков (4 человека), ведущий, жюри и зрители, которые тоже

активно участвуют в игровом процессе. Мальчики не должны видеть, девочек, которые принимают участие в игре, а девочки – мальчиков. Обе команды встречаются на сцене, только во время финального конкурса. В результате игры должна сформироваться пара (девочка и мальчик), основанная на игровом выборе.

Начинает праздник ведущий, который и объявляет правила.

On Valentine's Day there is a wonderful tradition of singing love songs. Such songs were popular even in the Middle Ages. At that time few people could read or write. Lovers usually sang their valentines to their sweet ears. Now we'll listen to some lovely Valentines!

Boys first – Listen to the song and try to guess what it is. If you know the answer say “stop” and listen to the next one.

guess the answer — ответить правильно

to guess right — отгадать

to guess wrong — не отгадать

You have three guesses! — Отгадай с трёх раз!

You have another guess coming! — А вот и нет, не угадал!

Please wait your turn!

Now it's the girls' turn.

After the competition is complete, the judges put down the results. Who gave similar/the right answers?
